Network access information

With Blue DentalSM PPO Plus Personal, members can choose any licensed dentist anywhere. However, they'll save the most money when they choose a dentist who is a member of the Dental Network of America (DNoA) Preferred Network of PPO dentists.

DNoA Preferred Network – Blue Dental members have unmatched access to PPO dentists through the DNoA Preferred Network, which offers nearly 200,000 dentist locations* nationwide. DNoA Preferred Network dentists agree to accept our approved amount as payment in full and participate on all claims. Members also receive discounts on noncovered services when they use PPO dentists. To find a DNoA Preferred Network dentist near you, please visit bcbsm.com, click *Find a Doctor* and select *Blue Dental* or call **1-888-826-8152**.

**A dentist location is any place a member can see a dentist to receive high-quality dental care. For example, one dentist practicing in two locations would be two locations.*

Blue Par SelectSM arrangement – Most dentists accept our Blue Par Select arrangement, which means they participate with the Blues on a “per claim” basis. Members should ask their dentists if they participate with BCBSM before every treatment. Blue Par Select dentists accept our approved amount as full payment for covered services – members pay only applicable coinsurance and deductibles, along with any fees for noncovered services. To find a dentist who may participate with BCBSM, please visit bcbsm.com, click *Find a Doctor* and select *Blue Dental* or call **1-888-826-8152**.

Note: Members who go to nonparticipating dentists may be billed for any difference between our approved amount and the dentist's charge.

Note: Pediatric members are members who are under age 19 on the plan's effective date. They remain pediatric members through the end of the calendar year in which they turn 19.

Note: For non-urgent or complex dental treatment such as crowns, bridges or dentures, members should encourage their dentist to submit the claim to Blue Cross for predetermination before treatment begins.

This is intended as an easy-to-read summary and provides only a general overview of your benefits. It is not a contract. Additional limitations and exclusions may apply. Payment amounts are based on BCBSM's approved amount, less any applicable deductible and/or coinsurance. For a complete description of benefits please see the applicable BCBSM certificates and riders. If there is a discrepancy between this Benefits-at-a-Glance and any applicable plan document, the plan document will control.
